23 JANUARY 1967

MEMORANDUM FOR: Director of Security

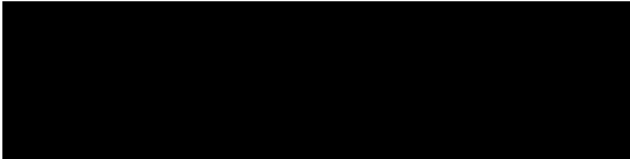

SUBJECT : Office of Security Statistical Report for  
December 1966

1. The attached tables reflect some of the activities of certain components of the Office of Security during December 1966.

2. The statistics in the tables are compiled by the component concerned and refer to the current month.

3. The overall workload is still heavy. For December 1966, 3,151 overt and covert cases were received as compared to 3,585 for December 1965. For November 1966 the overall caseload was 3,589. It should be noted that 243 cases were placed in process for reinvestigation. The processing time for applicant cases decreased from 82 days to 79 days.
